### PROFILE

To obtain a challenging position as a front-end developer in a reputable organization where I can utilize my skills and knowledge in HTML/CSS, JavaScript and React to contribute to the success of the company and also gain experience and knowledge to expertise in this field.

### HIGHLIGHT

As a fresher in front-end development with a focus on React.js, I have a strong foundation in web development technologies. I possess proficiency in HTML, CSS, and JavaScript, and I'm adept at creating dynamic and interactive user interfaces using React.js. I also have a keen eye for design and a commitment to delivering visually appealing and responsive websites.

### WORK EXPERIENCE

#### Front-End Developer

Qserve IT Solutions

2023 - Present

- As a front-end developer on the HRMS (Human Resource Management System) project, I contributed to the user interface design and development.
- My responsibilities included creating responsive and user-friendly web interfaces, collaborating with the design team to implement UI/UX improvements, and ensuring cross-browser compatibility.
- I also played a key role in enhancing the overall user experience by optimizing page load times and implementing interactive features to streamline HR processes.

#### Junior Executive

Straive

2021 - 2022

- Coordinate with designers editors and production staff on publishing projects.
- Read submission from writer and, author and work with their teams to determine what should be published.
